

Kung Fu Tea *Coming Soon* in Canton

Kung Fu Tea is a boba tea international franchise. They sell many flavored drinks with brown-sugar *tapioca* bubbles! There are countless Kung Fu Tea shops around Michigan including areas like Novi, Sterling Heights, Rochester Hills, and more! The president of the company released a statement saying, "Coming soon, there will be a new Kung Fu Tea opening here in Canton on Ford Road."

What makes Kung Fu Tea Different than Others?

The new opening of Kung Fu Tea is exciting! Although there are many boba tea shops on Ford road like Ding Tea and Bambu, Kung Fu Tea is on another level! Having personally tried Ding Tea (in Canton and Novi) and Bambu drinks, they lack what Kung Fu has.

I have been to the Kung Fu Tea in Novi countless times because their variety of flavor and their brown sugared boba. On some days I would drive an extra 20+ minutes just to go to the Kung Fu Tea in Novi rather than taking a shorter route for Ding Tea or Bambu. However, I cannot drive that far all the time so I would have to settle for those other shops instead. My favorite drink, **Taro bubble tea**, is a classic boba flavor that is in all boba shops. In my opinion, Kung Fu Tea has the most flavor in the Taro drink and isn't as watered down than other shops. That being said, I am *very* excited for the new Kung Fu Tea opening in Canton and so should you!
